**Back To The Future Museum Italia, In Conjunction With Universal Pictures Italia Present A Public Exhibition Of Original Production Items Used In The Films Just In Time To Celebrate The 30th Anniversary Of Back To The Future.**

Running now through November 15, 2015, the collection of original props and costumes which were used during the film production of all three movies is also enhanced with planned outdoor screenings of the films and documentaries.

Among the many items available to view from the collection include Doc Brown's toy car from his "not to scale" demonstration in *Back to the Future*, Marty McFly's radiation suit from *Back to the Future*, Marty's 2015 special effects jacket from *Back to the Future Part II*, and many more. Photo opportunities with a mockup of the famous DeLorean Time Machine will also be available.
